If you're ready to read, speak, and sound like a Japanese local, then brace yourself for a fun, engaging, and informative way to learn the Japanese language fast and easy!

Short Stories for Japanese Learners: You Can Read Japanese Level 2, The Red Candle offers fun and engaging beginner-friendly stories to help you easily read Kanji and more!

Japanese language learners often struggle with reading Japanese on a native level because most books in the market provide very formal options that don't really get into the heart of what a local speaker should sound or speak like.

But that's all about to change!

In this comprehensive guide, you will:

- Enjoy 10 Japanese short stories in different genres:** Every story has English translations to help learners enjoy and immerse themselves without struggling with vocabulary and grammar
- Get a complete vocabulary set:** From questions to answers and their translations, every story is laid out to maximize your learning and enrich your experience—unlike all the other books in the market
- Understand and appreciate Japanese culture better:** With stories in casual settings and dialogues, you will get an immersive and informative experience without burning yourself out
- Leverage Japanese vocabulary the right way:** All Kanji and Katakana have "furigana" so that you can focus on the story, while words on the vocabulary list come with "romaji" so you can practice proper pronunciation

And so much more!

So, what are you waiting for?

Scroll up, buy now, and grab a copy today!

PLEASE NOTE: When you purchase this title, the accompanying PDF will be available in your Audible Library along with the audio.
