In a burnished, driving prose, incorporating a myriad of fresh sources, John Keegan tells the story of the Allies' greatest military achievement as he chronicles the 1944 invasion of Normandy, from D-Day to the liberation of Paris. Includes:

- The Americans in their gallant and terrifying night drop on the eve of the landings
- The Canadians in crucial action at the Omaha beachhead
- The English tanks and infantry savagely fighting their way inland
- The Germans in their surprisingly strong resistance
- The Poles in exile blocking the German escape route in a fierce and desperate firefight
- The French, liberating at last the City of Light
