Lord of the Rings plus *Breaking Bad* plus *The Sopranos* equals Skulduggery.

We're starting to make some coin, but I'm always looking to improve. So, how can I sell more whiskey and make even more gold? Double-cross my distributor? Buy new businesses to serve as fronts for my operations? Steal a few precious artifacts from those blue-blooded elves?

Yep. All of the above, and we'll kill anyone who gets in our way.
