A hacker, a body, and a mystery that goes right to the top... Thomas Blume is back, and this time he's deep in a case that could shake the very foundation of the country. Hired to find a hacker with shocking government secrets, Blume works to find the man and stop the leak. But when the bodies start piling up and everyone in the city seems out to get him, Blume must battle against the odds and team up with a new ally if he is to survive. In an investigation that will take him from swanky nightclubs to run-down factories and the very heart of British government, can Blume crack the case and uncover the truth behind the fate of his family?
