**Miranda doesn't let life happen to her"so she's going to chase after what she wants.**  
**And she wants Cyrus.**  
**The former Las Vegas showgirl leaves everything she knows behind for a teaching career outside of Boston. She couldn't escape the desert's thirst that arrived with her in the form of her rugged bear of a New England neighbor, Cyrus McManus. The dancer didn't expect her chase would turn into a dalliance with the commanding older man who has a knack for knowing what she craves before she does!**  
**Although it's been a decade since his wife died, Cyrus is still coping with grief in the only way he knows how: by focusing on fatherhood and his writing career. He didn't expect his neighbor to be a bratty 24 year old woman who catches him off guard with her flirtatious persistence. He struggles to resist her offers for no-strings, kinky shenanigans with the headstrong woman submitting to him.**  
**Will a holiday fling be enough to satisfy either of them or will the season turn their carnal wants into uncharted feelings and change everything?**
