

Son of a Whore: Forging My Path to Freedom

author: Demetrye Isoldi, Elena Isoldi Medici

2026-08

Synopsis

author	Demetrye Isoldi, Elena Isoldi Medici
readBy	Donald Elivert
inLanguage	english

My father was a serial rapist. My mother was a whore. My brother is a serial killer. I escaped their madness and forged my path to freedom.

From the slums of Georgia and the projects of New Jersey, Demetrye Isoldi climbed his way to the top of the world.

Son of a Whore is a story of redemption and triumph. A story of how even though we might be broken, neglected, rejected, hurt, and abused, we do not have to struggle with our pain our entire life. We can find the power in us to unleash meaning, purpose, peace, and authenticity. Not despite the pain we lived through, but because of it.

In this raw and evocative memoir, Demetrye, a survivor of childhood abuse and trauma, and coauthor Elena Isoldi Medici empower you to:

- Find freedom from the shadow of someone else’s decisions and your own mistakes
- Take charge of your emotions
- Design your future purposefully
- Become the architect of your life

So instead of feeling powerless and remaining a victim, you can shed the chains of your pain and trauma and soar to unimaginable heights.

With a serial rapist for a father, a serial killer for a brother, and a whore for a mother, Demetrye chose to forge his path to freedom and happiness...and so can you.
