Finding material for your Spanish immersion can be a nightmare.

We know how you feel, and we've addressed it!

Spanish students regularly have to go through the toughest experiences to find proper material that isn't too tough for them - as teachers; we know this.

This is why we've created *Spanish Short Stories for Beginners* to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designed for you, the student.

Twenty easy-to-listen, entertaining and interesting stories await inside, along with the best tools to help you practice once you're finished each tale. Our book will ensure you not only can read something that will expand your knowledge on Spanish but that you will understand and be able to pick it apart piece by piece in your quest for learning.

How *Spanish Short Stories For Beginners* works:

- Each story will involve an important lesson of the tools in the Spanish language (Nouns, Pronouns, Future Tense, Going Shopping, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations.
- The summaries follow a synopsis in Spanish and in English of what you just heard, both to review the lesson and for you to see if you understood what the tale was about.
- At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance!
- Finally, you'll be provided with a set of tricky questions in Spanish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating!

Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a Spanish speaker, and we'll certainly make that dream come true!

We recommend this book for Spanish learners at A2 level and above as it is designed for students
