My name is Samantha Beaumont and I'm a witch. But I'm not your average witch. I'm a Dark witch, and I loooove to hunt and kill demons with good old-fashioned magic. All is well until a human girl is murdered and her soul taken by a Greater demon. It gets worse. Human bodies are dropping like flies and I have no choice but to team up with Logan, a sexy as sin angel-born warrior to solve the case. Trouble is, everyone knows angel-borns hate Dark witches. I can't trust him. But I don't have a choice. I'm going to solve these murders, even if the angel-born hates me, and even if the heat between us is irresistible.

If you like fast-paced urban fantasy and witchy books with a kick-butt heroine, plenty of action, suspense, and humor, then you'll love *Spells & Ashes*.
