Synopsis

<p>Spooky Games That Will Ruin Your Actual Life vol.2 is here!!! The first one of these that we put out was literally over 2 years ago so we thought it would be super fun to revisit this topic. Ash goes into the origin story of the iconic sleepover game Light as a Feather Stiff as a Board and explains The Three Kings Ritual while Alaina brings us the hellacious Black Telephone game, Sara Sarita and The Gathering of 100 Tales. Get ready to be scared to the max and please have some sage on hand, we sure needed it!
