In this Star Wars audio original, delve into the cutthroat world of one of the High Republic's greatest foes, the merciless Louna Dee.

The Nihil storm has raged through the galaxy, leaving chaos and grief in its wake. Few of its raiders are as vicious as the Tempest Runner Louna Dee. She stays one step ahead of the Jedi Order at the helm of a vessel named after one of the deadliest monsters in the galaxy: the *Louna Dee*. But no one can outrun the defenders of the High Republic forever.

After the defeat of her crew, Louna falls into the hands of the Jedi - but not before she hides her identity, becoming just another Nihil convict. Her captors fail to understand the beast they have cornered. Just like every fool she's ever buried, their first mistake was keeping her alive.

Louna is determined to make underestimating her their last.

Locked onto a Republic correctional ship, she's dragged across the galaxy to repair the very damage she and her fellow Tempest Runners inflicted on it. But as Louna plans her glorious escape, she makes alliances that grow dangerously close to friendships. Outside the Nihil - separated from her infamous ship, her terrifying arsenal, and her feared name - Louna must carve her own path. But will it lead to redemption? Or will she emerge as a deadlier threat than ever before?
