The return of the rebel </p> <p>The stars are afire with rebellion against the tyranny of Earth. Jan Kulozik, rebel in exile, returns home as a prisoner on a ship bearing a cargo of death. But Kulozik escapes his captors and ignites the flames of revolt across half a world. With the aid of Dvora, a lovely but lethal comrade-in-arms, Jan races toward a rendezvous with destiny and a reckoning with a treacherous double agent who holds the fate of the human race in his hands.</p>
