There are few people Nero Wolfe respects, and Lon Cohen of the *New York Gazette* is one of them. So when Cohen asks for a favor, Wolfe is inclined to listen.

According to Cohen, someone wants to kill the *Gazette*'s gossip columnist, Cameron Clay. Death threats are a regular hazard for Clay, who's hurled insults and accusations at every bold-faced name in the five boroughs. But the latest threats have carried a more sinister tone. The columnist has narrowed his potential killers down to five people.

When Clay turns up dead, the cops deem it a suicide. The bigwigs at the *Gazette* don't agree, so they retain Wolfe to figure out which of the suspects had the mettle to pull the trigger.
