So, Jacob's the son of Lucifer.

Unfortunately, he can't think about that right now, because several Demon Kings are still trying to kill his ass and take over the Fourth Circle.

Jake's not about to let that happen.

He needs to get more powerful, and fast. To do that, he needs more Demon Lords.

Now, where can he get more of those?

Well, he does have seven loyal succubi and one stoned imp at his side....
