It's going to be a rough, raunchy ride for Decker when his dorm mates Simon and Molokai suggest he sell his body at the beach to any and every man willing to pay. The goal is to raise money for girls, sex, and drugs to entertain his dorm mates over summer. But the real fun is all reserved for Decker, who must prepare himself to become an open and willing bottom for all of the beach's sexy, slutty men!

To help him along, Decker's roommates give him an assignment: to have sex with as many men as possible in order to loosen him up enough for what he'll receive on the beach. Through this assignment, Decker meets Jorge at the gym - a guy from his class who offers to spot him on the weight bench, as well as in the shower! There, he also meets two burly bears who take over the fun with a split-roast to remember.

Follow along with Decker as he further prepares himself by claiming the virginity of a comic book geek and nabbing some bbc on the basketball court, all in anticipation of his upcoming adventure on the beach! But, when the big day comes, will all go according to plan, or will Decker's hardcore efforts be for nothing?
