

Taking Shape II

author: Dustin McNeill, Travis Mullins

2026-06

Synopsis

author	Dustin McNeill,	Travis Mullins
readBy	Christian Francis	
inLanguage	english	

Authors Dustin McNeill and Travis Mullins are back to bring you an inside look at 24 lost *Halloween* sequels you never saw on the big screen! Learn about these fascinating unmade visions direct from their creators, many of whom have never spoken publicly on the subject before.

With a running time of over 24 hours, *Taking Shape II* is brimming with untold franchise history. The journey begins with an insightful foreword by *Halloween: 25 Years of Terror* producer Anthony Masi.

So, what are you waiting for? Grab the candy corn and settle in for the lost Halloween sequels!

Taking Shape II covers:

- An alternate *Halloween 3* pitched decades after the first one
- Three unused versions of *Halloween 4* - one with Laurie Strode!
- Exclusive details on an early *Halloween 5* - with evil Jamie Lloyd!
- The *Halloween 6* nearly produced by Quentin Tarantino!
- An early version of *Halloween 7* before it became H20!
- Three different sequels to *Halloween: Resurrection*!
- Insight into how a crossover with *Hellraiser* almost came to be!
- Two different stabs at a 3D sequel in the Rob Zombie era!
- A reboot with two shapes! (And another with 100!)
- A reboot that introduced the Halloween multi-verse!
