*Tell Me*: Gabriel "Force" Banner has been unable to get a certain sexy accountant out of his head. Sole Regret's inventive drummer has created big plans to keep sweet Melanie entertained all weekend long. When they leave behind the bustle of New Orleans and the rock 'n' roll, their romantic weekend seems to be back on track. But life has a way of butting in at the worst possible times.

*Tease Me*: Adam Taylor, the lead guitarist of Sole Regret, always walked the world alone until he opened his heart and his world to his sweet, reserved rehab counselor. The tender emotions that Madison draws to the surface have him considering his future for the first time in his life while his impulsive, reckless side causes her passion to burn bright. But can a man as wild as Adam be tamed enough for a serious relationship?
