Tanya is a full-figured, sensual beauty with a secret that has her hiding from a crazy person who wants to claim her. She's afraid to trust anyone until she finds the man of her dreams nearly naked, invading her safe zone.

Stirring desire is her calling, and she doesn't disappoint. Tanya tempts Mike without trying. Though she enjoys the game they play, Tanya might be too much of a coward to let him behind the walls she has built around her heart.

Mike is shocked to find a sexy, gun-toting goddess when he steps out of the bathroom wearing nothing but a towel and a smile, but he refuses to evict her from his sanctuary when it is obvious that she believes she is in danger from something or someone.

Protection services are his specialty, and he's never failed at his objectives. He's determined to keep the woman he's nicknamed Quickdraw safe. To do that, he has to shut down his attraction to her to keep a level head and stay focused on his task.

With his brother Carl's crew as his protection support team, Mike is determined to keep Quickdraw safe while he works to find out who wants to do all the dirty things she writes in her stories. The hard part will be keeping his hand off her himself once he's tasted the forbidden fruit that is Tanya.

Mature over-40 interracial romance.
