Faith in the workplace - a subject of recent interest in the secular media - is taking the nation by storm. God is using the lives of ordinary men and women to make an impact and transform their workplaces, big and small, for Jesus Christ. Listeners to *The 9 to 5 Window* will learn about this incredible movement and what can take place when people transform their view of work from a means of paying the bills to a means of freeing people in bondage and giving those around them (and themselves) purpose and meaning in life and at work. Using Moses as an example of a person who learned to view his work from an eternal perspective, Os Hillman shows how we all can experience transformed lives, workplaces, cities, and nations.
