It is time for Angeline to be mated and she has little choice in the matter. That is because it is her mother who is responsible for matching Alphas with good potential females. So she is determined that her daughter be matched with one of the most eligible bachelors around. That man is Clyde. Strong, handsome, dominant and, most importantly, loyal to the woman he wants. Angeline is about to discover just how much she really needs an Alpha in her life. The only problem is Clyde is not so sure he really needs Angeline in his life. Can Clyde learn to want and love Angeline as his mate? Or is Angeline set to forever be *The Alpha's Unwanted Mate*?
