Monica has never been allowed down into the basement, which has affectionately been dubbed "the man cave" by the men who raised her. An alluring place of mystery, there's something about the neon beer signs, bikini girl posters, and green felted pool table that has always fascinated Monica.

Eventually, though, that fascination evolves into fantasy. Now all grown up, Monica sneaks down into the basement with the intent of secretly getting herself off and quelling her strange feelings once and for all. Instead, she finds herself in a hardcore gangbang with the men of the house.

This very explicit short story is sizzling and will keep your heart racing.
