America's favorite jungle hero returns for a third time in *The Beasts of Tarzan*. The legendary Tarzan claims his birthright title as Lord Greystoke and starts a small family with Jane, now his wife. But just when things are going right, the evil Rokoff kidnaps Tarzan's infant son, Jack, luring Tarzan into a trap. After Rokoff exiles him on an island near the African coast, Tarzan uses his skills learned from the jungle to win the favor of various wild animals. Tarzan must enlist these creatures to help him track down Rokoff in order to save his family from certain demise.
