

The Biden Malaise

author: Kimberley Strassel

2026-06

Synopsis

author	Kimberley Strassel
readBy	Stephanie Richardson, Kimberley Strassel
inLanguage	english

In the style of a dogged prosecutor, Strassel builds a devastating case against Joe Biden’s record. THE BIDEN MALAISE is must-read ahead of 2024, as conservative voters prepare to make consequential choices.

Guy Benson, Fox News & Townhall.com

The bestselling author of *Resistance (At All Costs)* and *The Intimidation Game* argues that Joe Biden, like Jimmy Carter before him, has mired the country in weakness, inflation and political unease. Whether in politics or policy, the parallels between the Biden and Carter presidencies are now beyond striking. Two presidents separated by nearly 50 years beset by the same domestic and foreign policy morasses, politically swamped by a national ennui. However, THE BIDEN MALAISE will examine why such claims overlook important nuances that show President Biden’s blunders are ultimately far worse. Our current president inherited a better situation along with the lessons of what not to do from Carter’s governance. Biden, captive to an ascendent progressive wing of his party, doubled down on Carter’s mistakes and created crises that were as avoidable as they are now severe. From soaring energy prices and inflation to humiliating foreign policy errors, the Biden administration’s political mess is self-imposed. His political handling of these fiascos like Carter’s has only made his situation worse. Democrats risk a public backlash of the sort that opened the way to the Reagan Revolution.

Award-winning and bestselling journalist Kim Strassel offers a formula for the GOP to capitalize from this mayhem; one that rekindles the bold and reformist approach of the 80s and 90s, an aspirational agenda that puts Americans back in control of their destiny on issues ranging from healthcare, to energy, to entitlements. THE BIDEN MALAISE is a penetrating look at our current political climate and a book that explains how the GOP can use this opportunity to elect a leader who can restore faith in American

exceptionalism.
