**Harker** has everything he wants, except a child.

He's finally chosen the mother.

Alison is brilliant, kind and hard-working. Her genes will mesh perfectly with his. And it doesn't hurt that he's spent the last year fantasizing about taking her to his bed and doing all kinds of deliciously wicked things to her.

Alison can't believe that her boss wants her to have his kid and that he wants to do it the old-fashioned way. She can't imagine having sex with him. He's Harker. Sure he's kind of sexy in a dark, brooding way and when he barks orders her body naturally responds, but still sex with Harker?

She can't do that, or can she? His offer is hard to refuse and she'd only have to be with him until she got pregnant. It shouldn't take long, right?
