Where is Harlan James? </p> <p>He is the indicted, bail-jumping leader of Banbury's militant Black Hearts who has gone undergroundâ€¦ but whose rage, still heard on tape, is edging the city toward interracial terror. </p> <p>Harlan James calls for violence - for black protests, demonstrations, drastic political action against the city's white leaders. </p> <p>But did he also call for - or commit - murder? </p> <p>It is a top priority job for Mike McCall, a new breed of crime-fighter, whose cases plunge him into the crises of modern America. When a prominent white official is shot to death, McCall <i>must</i> find the killer - or face open racial warfare!</p>
