

The Black Men That Raised Me

author: Isaac B. Netters

2026-08

Synopsis

author	Isaac B.
readBy	Isaac B.
inLanguage	english

New Orleans is one of those places that always inspires, and the people do most of the inspiring. This audiobook, a collection of poems, honors the men that made sure I could have the opportunity to pass on what they taught me to you. This book is about the black men that took the time to be the difference, whether they knew it or not.
