I'm Hailey Bradbury: Hedge Witch and Vampire.

My sire was staked moments after I was turned.

As a youngling, the Voodoo Queen adopted me. She taught me her art.

I've been working with the new Mistress of the Vampire Council.

She trained me in the ways of vampirism, the path of the night.

Witchcraft + Voodoo + Vampirism = what I call bloodwitchery.

Most witches won't mess with the power latent in blood.

It's dark. It's dangerous. But if you can master it...You can harness the power of life itself.

Includes:

- Voodoo & Vampires: I'm supposed to seduce and assassinate the vampire king....
- Witches & Wolves: A local coven is hunting wolf shifters....
- Devils & Dragons: There's power in dragon blood. It's also delicious!
- Ghouls & Grimoires: Dead men tell no tales. I can make them talk.
- Faeries & Fangs: For the first time, one of my spells backfired....
- Monsters & Mambos: You never realize how much your attitude can affect your life...until it manifests as a flesh-and-blood monster.
- Wraiths & Warlocks: Wraiths are escaping vampire hell. Isn't that dandy?
- Shifters & Shenanigans: I've been framed for murder....

Hailey Bradbury was only sixteen when she was turned seven years ago. She might be a young vampire—but she's an accomplished badass witch. After all, only the most daring of witches dabble in blood magic.

Listeners of Monroe's Legacy of a Vampire Witch, Voodoo Academy series, or The Legend of Nyx, have encountered Hailey before. Now, she has come into her own. She may be a member of the Vampire Council. Her mentor might be the Voodoo Queen. But no one tells this blood witch what to do. The Blood Witch is an expansive action packed Urban Fantasy with a dose of closed door Paranormal Romance.
