A comprehensive and instructional guide to the new sexual landscape, covering “new territories” such as bondage, role playing, and sex toys that would make your parents blush.

Since the publication of *The Joy of Sex* in 1972, the sexual landscape’s boundaries have been expanded to include a host of practices that are unthinkable in that classic tome. Although it also covers the basics, *The Boudoir Bible* fills those niches missing from other sex guides nicely, with full elaborated chapters on rope bondage, restraints of sound and sight, erotic flagellation, and the stimulation of new erogenous zones, among innumerable other offerings.

Well-researched, *The Boudoir Bible* is written from a joyful, sex-positive point of view. Going beyond the “lovelorn” of older guides, this witty and uninhibited tome expands the sexual act to encompass “verboten” topics, with chapters entitled “The Genital Gym,” “Nipple Tease,” “Male Ejaculation Control,” and “The Anthems of Anal Sex.” *The Boudoir Bible* provides a fresh view of sexuality in the twenty-first century.

The bonus pdf includes illustrations by the renowned artist François Berthoud, whose provocative creations have graced both Prada campaigns and museum exhibitions.
