

The British History Podcast

author: Jamie Jeffers

2026-07

Synopsis

author	Jamie Jeffers
inLanguage	english

The BHP is a chronological retelling of the history of Britain with a particular focus upon the lives of the people. You won't find a dry recounting of dates and battles here, but instead you'll learn about who these people were and how their desires, fears, and flaws shaped the scope of this island at the edge of the world. And some of those desires are downright scandalous.
