Books four to six in the gripping, fast-paced crime fiction series featuring DCI Whitney Walker and forensic psychologist Dr Georgina Cavendish.

Lethal Secret, Book 4

Someone has a secret. A secret worth killing for...

When a series of suicides linked to the Wellness Spirit Centre turn out to be murder, it brings together DCI Whitney Walker and forensic psychologist Dr Georgina Cavendish for another investigation. But as they delve deeper, they come across a tangle of secrets and the very real risk that the killer will strike again.

As the clock ticks down, the only way forward is to infiltrate the center. But the outcome is disastrous in more ways than one.

For fans of Angela Marsons, Rachel Abbott, and M A Comley, *Lethal Secret* is the fourth book in the Cavendish & Walker crime fiction series.

Last Breath, Book 5

Has the Lenchester Strangler returned?

When a murderer leaves a familiar pink scarf as his calling card, Detective Chief Inspector Whitney Walker is forced to dig into a cold case, not sure if she's looking for a killer or a copycat.

With a growing pile of bodies and no clues, she turns to forensic psychologist Dr. Georgina Cavendish despite their relationship being at an all-time low.

Can they overcome the bad blood between them to solve the unsolvable?

For fans of Rachel Abbott, Angela Marsons, and M A Comley, *Last Breath* is the fifth book in the Cavendish & Walker crime fiction series.

Final Verdict, Book 6

The judge has spoken... everyone must die.

When a killer starts murdering lawyers in a prestigious law firm, and every lead takes them to a dead end, Detective Chief Inspector Whitney Walker finds herself grappling for a motive. What links these deaths, and why use a lethal injection?

Alongside forensic psychologist Dr. Georgina Cavendish, they close in on the killer, all the while trying not to let their personal lives get in the way of the investigation.

For fans of Rachel Abbott, Angela Marsons, and M A Comley,

Final Verdict is the sixth book in the Cavendish & Walker crime fiction series.
