

# Celiac Project Podcast - Ep 389: 2 Guys Talking Gluten

*author:*

2026-07

## Synopsis

---

As 2023 draws to a close, Mike and Cam explore some of the reasons they believe that 2024 could be the best year yet for the celiac and gluten free community. From positive recent changes they have observed, to better supports and understanding of living a safe gluten free life, Mike and Cam are excited to see our community thrive as we move into 2024. We toast to a fabulous New Year ahead!
