15 thriller masters. 1 masterful thriller.

Former war crimes investigator Harold Middleton possesses a previously unknown score by Frederic Chopin. But he is unaware that, locked within its handwritten notes, lies a secret that now threatens the lives of thousands of Americans. As he races from Poland to America to uncover the mystery of the manuscript, Middleton will be accused of murder, pursued by federal agents, and targeted by assassins. But the greatest threat will come from a shadowy figure out of his past: the man known only as Faust.

*The Chopin Manuscript* is a unique collaboration by 15 of the world's greatest thriller writers. Jeffery Deaver conceived the characters and set the plot in motion; the other authors each wrote a chapter in turn. Deaver then completed what he started, bringing *The Chopin Manuscript* to its explosive conclusion.
