The secret of success and personal improvement youâ€™ve never been toldâ€™until now.

Youâ€™ve been told all your life by your parents, teachers, and family members that life is just to follow along with flow of life.

What if I can tell you that you can design and accelerate the level of success that you always wanted in your life and career? How many times have you wonder if you are wasting your time following someone else plans and dreams instead of following your own?

Here is a little tip you need to know today: To be consistent, you need to focus 100 percent on the assignments you have in front of you. As an individual, you are the one responsible to build yourself up. Obviously, thatâ€™s easier said than done.

Did you know that:

- It takes up to 66 days to establish any habit.
- About 95 percent of the population lacks enough money to cover their main necessities.
- Not having a clear direction in your life will stop you from reaching your dreams.
- The people you surround yourself with will make you or break you.

If you could only learn the fundamentals of success in money and relationships, things could change today. The good news is that you can. And, you can start getting results. We are all humans and expecting to work like machines is not doable nor desirable the first seven days of applying the techniques (habits takes around 66).

So, buckle up and get ready for the next days in *The Compound Effect Formula* in which you will discover:

- The number one way to start getting the financial gains you are looking for.
- The core values that will propel your life and take you to the next level.
- How by helping and mentoring others youâ€™ll find even more success.
- The great power of consistency and how is affecting your life.
- How to filter your thoughts to avoid negativity playing against you and against your goals.
- The percentage game, financial freedom is one of the most desirable goals in todayâ€™s world.
- The best techniques to stop wasting your time and energy.
