A magnificent exploration of the new world order from *New York Times* bestselling author John le Carré, one of the most compelling and elegant storytellers of our time.

When Tessa Quayle—a young, beautiful woman and Justin's beloved wife—is gruesomely murdered in northern Kenya, Justin sets out on a personal odyssey to uncover the mystery of her death. But what he finds could make him not only a suspect among his own colleagues, but a target for Tessa's killers as well.

A master chronicler of the betrayals of ordinary people caught in political conflict, John le Carré portrays the dark side of unbridled capitalism as only he can. *The Constant Gardener* tells a compelling, complex story of a man elevated through tragedy, as Justin Quayle—amateur gardener, aging widower, and ineffectual bureaucrat—discovers his own natural resources and the extraordinary courage of the woman he barely had time to love.
