A heartwarming memoir of a family that refused to give up

When 22-year-old Susan Stachler was diagnosed with cancer, her mother, Laura, was struck by the same illness that took her sister's life was threatening to take her daughter's too. Heartbroken but steadfast, Laura pledged to help Susan through the worst of her treatments.

When they discovered that Laura's homemade ginger cookies soothed the side effects of Susan's chemotherapy, the mother - daughter duo soon found themselves opening the business "Susansnaps" and sharing their gourmet gingersnaps with the world.

Told with admirable grace and infinite hope, *The Cookie Cure* is about more than baked goods and cancer - it's about fighting for your life and for your dreams.
