He's my brother's best friend. It was hate at first sight.

Brandon

I've been hiding away at home, focusing on work and not much else, certainly not myself. But my best friend's about to tie the knot and forces a makeover on me. Suddenly, women are falling at my feet, including my worst nightmare, his sister, after too many drinks.

Now, I can't get her out of my mind.

My dilemma? Reese is an ice queen.

Reese

I've been hiding away at work, focusing on that and not much else, certainly not romance. Then, my brother and best friend's wedding changes everything.

Too many drinks, and suddenly, I'm propositioning my brother's best friend - someone I've insulted more than I've admired. Now, a pregnancy test is showing positive.

My dilemma? Brandon is a slob.

Listen to *The Daddy Dilemma* to see if opposites attract, or if this is more a nightmare than a fairy tale.
