The four hot daddy stories in *The Daddy Four Pack: Volume 1* will satisfy your need for playful, daring taboo sex!

"Daddy's Sex Toy": Lana's step-father, Erik, is the strong, silent type. She has tried for two months to pull him out of the shy, anal-retentive shell he formed after her mother left him. When Lana drags Erik into a sex shop dressing room on a whim, she finally breaks through that shell...and discovers her step-dad's secret kink!

"Daddy's Twins": David faces a long summer without his new Hollywood wife, Gena, who is out of the country filming a movie. Gena sends her twin daughters home for college break to keep her husband company. But David's sexual frustration leaves him unable to resist his step-daughters' aggressive advances. If Gena finds out what happens next, their marriage will end before the honeymoon is over.

"Punish Me, Daddy": When Jaime throws a party at her step-dad, Jon's, house, she wants only to hook up with Paul, the hot runner she's seen around campus. Paul stays behind to help Jaime clean up the mess, but all she can think about is seducing him in her step-dad's king-sized bed. Professor Jon's unexpected arrival means punishment for Jaime and Paul...and a stern lesson they won't want to forget!

"Go Down, Daddy": Maddie can't wait to get home from her freshman year of college to spend summer break with her step-dad, Charles. She's had fun sharing guys with her dorm roommate, but she still can't get Charles' ripped body off her mind. He may have been her mother's husband, but he's all Maddie's now... or is he?
