The second book in the internationally best-selling the *Tomorrow, When the War Began* series.

"There was a crashing sound from the bushes. I spun round, wondering if this was my death, the last movement I would even make, the last sight I would see...."

It's tough surviving in Hell. But sometimes Hell can be a haven. Their country has been invaded. Their homes have been occupied by strangers, or destroyed. Their families are facing death at the hands of a merciless enemy. But one group of teenagers, fugitives in a remote valley, will never give in. Not without a fight. But sometimes courage demands too high a price.
