The enemy is defeated. The gods strike a truce. And the Dharkan strike against the gods. Victory has cost both gods and mortals dearly. The veil between life and death in Niflheim is thinner than ever. Try as they might, the gods are powerless against the influence of Time, and their past mistakes threaten not only their future but their very existence. Now the fate of eternity rests in the unlikely alliance between the goddess of the soul and a soulless Dharkan, as they must work together to achieve peace between the living and the dead in Aegea. And although their goals may seem similar, the motivations behind them couldn't be more at odds with each other. Meanwhile, a greater enemy approaches. Or maybe it's already here...
