After finding the ruins of a Mayan temple - and saving the world from a terrorist attack - in *One Rough Man*, Pike Logan has been given the chance to rejoin the Taskforce, a top-secret counterterrorist organization that operates outside the bounds of US law. But before he becomes an operator again, heâ€™s determined to get Jennifer Cahill into the Taskforce as well, though no one else seems willing to give a female civilian a shot. Jennifer herself would rather focus on setting up their new company, Grolier Recovery Services, an archaeological research agency that Pike hopes will also serve as a sophisticated cover for future Taskforce missions. When Grolier receives its first job offer to check out a site in Roswell, New Mexico, Jennifer convinces Pike to go. But once they arrive itâ€™s clear that thereâ€™s a lot more going on than a simple search for Indian artifacts, and uncovering the secrets carefully guarded out in the desert could not only cost them their future with the Taskforce, but their very lives.
