2026-07

## Synopsis

---

Have you ever felt as if someone else was writing your personal narrative? Controlling what you do, shaping how you act? This week on *Hidden Brain*, we bring you a surreal tale about a woman who became a reluctant character in someone else's love story.

*If you like our work, please consider supporting it! See how you can help at [support.hiddenbrain.org](https://support.hiddenbrain.org).
