Sam Vines is a man on the run. Yesterday he was a duke, a chief of police, and the ambassador to the mysterious, fat-rich country of Uberwald. Now he has nothing but his native wit and the gloomy trousers of Uncle Vanya (don't ask). It's snowing. It's freezing. And if he can't make it through the forest to civilization, there's going to be a terrible war. But there are monsters on his trail. They're bright. They're fast. They're werewolves. And they're catching up. Sam Vines is out of time, out of luck, and already out of breath. <p><i>The Fifth Elephant</i> is one more installment of Terry Pratchett's Discworld cycle, this time starring dwarfs, diplomacy, intrigue - and big lumps of fat.</p>
