My name's Noah Kilmartin. I'm from Ruddock, Ohio, and I'm absolutely, 100 percent unqualified to save the universe from the slaving demonic hordes of the super evil bitch queen Lilith. Too bad nobody asked my opinion.

All I've got to do is pass five lethal trials that'll prove I'm the universe's last chance at salvation. To do so, I'll have to lean hard on those three years of Okinawan jiu-jitsu classes I took in high school, learn to wield my new magic sword, and, oh yeah - select five women to flesh out my team, bonding with each one for arcane purposes and desperately trying to stay alive in the process.

Piece of cake. Right?

*Warning and minor spoilers:* *The Five Trials* is a book intended for mature listeners age 18 years and older. It contains graphic sex, medieval violence, and nudity. People curse, piss their pants, hack off heads, get a little dizzy and tortured, seduce each other, try to seduce each other, and get scared witless by horrors from the darkest dimensions. Most importantly, you'll meet gorgeous, powerful women, some capable for hurling lightning, others of swinging battle-axes, and one that's Noah's unrequited crush from high school. All of them are willing to enter unconventional, polyamorous harem relationships if it means saving the universe, and luckily for Noah, this time it actually does.
