Travel back in time to 1966 with this historical UFO recording - a radio news special program on UFOs, featuring comments by Donald Keyhoe, J. Allen Hynek, Al Chop (USAF), James Moseley, and William Coleman (USAF). Eye-witness and news accounts discussed include the Washington, DC, radar case; the 1952, McMinville, Oregon, case; and the Exeter, New Hampshire sightings. Keyhoe also describes an aircraft case investigated by a secret government agency. Scientists discuss explanations for UFOs and unexplained cases. Keyhoe and others discuss the Air Force cover-up, including official recorded statements.
