The second set of interconnected stand-alone fairy tale retellings from the Four Kingdoms series

Book 3 - *The Princess Pact: A Twist on Rumpelstiltskin*: Marie, the dutiful princess of Northhelm, chafes under the rigid protocol that governs her life. Then a growing darkness threatens the kingdom and uncovers the lie at the center of her whole life - a single pact that changes everything.

Novella 3.5 - *A Midwinter's Wedding: A Retelling of The Frog Prince*: Princess Cordelia is used to being overshadowed by her many brothers and sisters. So when she's offered the chance to attend her brother's wedding in a faraway kingdom, she leaps at it. In Northhelm, she'll finally have the chance to stand out. And maybe, just maybe, she'll even find romance.

Book 4 - *The Princess Game: A Reimagining of Sleeping Beauty*: In this reimagining of the classic fairy tale *Sleeping Beauty*, it's only the princess's mind that is asleep. And sometimes appearances can be deceiving.
