

The Fourth Initiation

author: Ethan Indigo Smith

2026-06

Synopsis

author	Ethan Indigo Smith
readBy	Virtual Voice
inLanguage	english

The Fourth Initiation explores the esoteric aspects of Self-Development. **The Fourth Initiation** reveals The Four Grammar of self-development through the four dimensions of geometry and its numerous iterations in esoteric traditions and initiatory systems. What is Four Grammar? Four Grammar is the esoteric translation and comprehension of The Tetragrammaton as a universal initiation lesson towards consciousness expansion. **The Fourth Initiation** is the story of consciousness development told through the universal ideas of great wisdom teachers. Self-development inspiration and visualization potential are generated through understanding of the shared symbolism of The Four Grammar including the four dimensions of Sacred Geometry. **The Fourth Initiation** is a story of wisdom teachings to inspire you on your own path toward your own individuation and development. Conceptual tools are provided as exemplified by wisdom teachers of divine judgement to inspire your discretion and intuition pertinent to the continuation of your own journey.
