inLanguage	english

In this seventh madcap entry from Jim Benton's *New York Times* best-selling series, pint-sized Franny K. Stein has the perfect solution for getting elected class president - the mad science way. In the privacy of her laboratory, Franny combines the DNA of a dog, a chameleon, and a parrot to create the Frandidate - a candidate who says and does exactly what appeals to her classmates. But just as the Frandidate is poised to win the election, something goes terribly wrong.
