Synopsis

author	Brian David Alexander
readBy	Frank Gerard
inLanguage	english

The God Matrix is a spiritual thriller that blends mystery, suspense, military intrigue, and maybe even Alien abductions, with spiritual principles and quantum physics. It will captivate you and keep you on the edge of your seat, as you are swept up in an adventure that leaves you wondering at the truth of you own existence, and even more so, wondering whether the story is indeed fact or fiction.
