Tyrant, blackmailer, racketeer, murderer - his influence reaches every level of American society. Meet Don Corleone, a friendly man, a just man, a reasonable man. The deadliest lord of the Cosa Nostra. *The Godfather.*

A modern masterpiece, *The Godfather* is a searing portrayal of the 1940s criminal underworld. It is also the intimate story of the Corleone family, at once drawn together and ripped apart by its unique position at the core of the American Mafia. Still shocking 40 years after it was first published, this compelling tale of blackmail, murder, and family values is a true classic.
