

The Great Gain of Godliness

author: Thomas Watson

2026-07

Synopsis

author	Thomas Watson
readBy	Jim Denison
inLanguage	english

Thomas Watson was one of the most famous Puritan preachers in history, and his 17th-century writings are still read across the world today. A highly influential example of Puritan writing, *The Great Gain of Godliness* is Watson's study of Malachi 3:16-18.

British Baptist preacher Charles Spurgeon bemoaned the fact that he couldn't find a copy of *The Great Gain of Godliness*. Spurgeon told his scholars, "This volume would be a great find if we could come at it, for Watson is one of the clearest and liveliest of Puritan authors." We no longer face Spurgeon's dilemma, and listeners can now experience this classic text in a way unimaginable to 17th-century scholars.
