Love and mystery mix in the final installment of this spine-tingling, hauntingly gorgeous trilogy, which L. J. Smith calls “Spectacular!” In the eagerly anticipated conclusion to the best-selling saga of Abbey and Caspian, listeners finally learn the truth about Kristen’s untimely death, the dark destiny that links Abbey to Caspian and ties them both to the town of Sleepy Hollow, and the hard choices that Abbey must make if she is to accept Caspian’s love and their unexpected fate. Beautifully spun, emotionally gripping, and irresistibly romantic, The Hidden will leave readers breathless.

Jessica Verday wrote the first draft of her debut novel, The Hollow, by hand, using thirteen spiral-bound notebooks and fifteen black pens. She likes things that smell nice, rainy nights, old books, cemeteries, Johnny Cash, zombie movies, L. J. Smith books, abandoned buildings, trains, and snow.
